Changing of SIM-Card

Remove SIM – Card holder

- 1. Press the unlocking button with a pin until the SIM-card-holder is pushed out a little.
- 2. Take the remaining SIM-card-holder with the fingers and remove it completely.

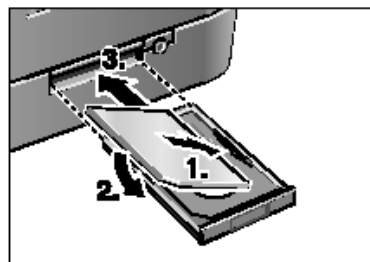

Changing of Mini SIM Card

- 1. Press out the inserted SIM-Card through the hole with the fingers.
- 2. Insert the new SIM-Card into the SIM-card-holder.
- **Attention** : the bevelled angle must fit the form of the SIM-card-holder.

Putting-in the SIM-Card holder

- 3. Put the SIM-card-holder with the inserted Mini SIM Card into the modem slot (card towards the bottom) and pay attention to the guide bars of the SIM-card-holder. Put in the SIM-card-holder as far as it will go.
